

IRRC's Past Contributions to President's Challenge

IRRC has been supporting the President's Challenge since 2003. Over the years, we have organised various fund-raising activities and raised more than \$600,000 for the beneficiaries of the President's Challenge.

This year marks the 10th year of our participation in the President's Challenge. With strong participation from IRAS staff, as well as the generous support from our key stakeholders and the public, IRRC has managed to raise a record-breaking amount of \$533,818.39 for President's Challenge.
